

DIRECTORATE OF EMPLOYMENT & TRAINING, GUJARAT

A Web Portal for Employees and Employers to meet their Job Requirements.

The Directorate of Employment & Training, Gujarat (DET), is a part of Department of Labour and Employment, Government of Gujarat. It was formed in 1971 by amalgamation of the Employment Wing, functioning under the Labour Commissionerate, and the Vocational Training Scheme under the Directorate of Technical Education.

DET is a government organization that has been entrusted with the task of providing skilled manpower to the industries and providing training to the youth in industrial skills and craftsmanship and providing Employment/ Placement services to the Job Seekers of the State.

Digitek was selected to design and develop a complete web portal for DET. This was dedicated to all the Jobseekers of Gujarat State and also to the prospective employers. All the prospective employers could make use of the online database free of cost. If located in Gujarat, they could also contact the nearest Rojgar Sahay Kendra (RSK) i.e. employment assistance center.

This portal provides the complete Jobseekers database of all the Employment Exchanges of the Gujarat State . This is one of the biggest and comprehensive state-level database of jobseekers in India which includes details about their educational qualification and experience.

The main features envisaged for this portal by Digitek are Bilingual – English and Gujarati version, Employment Exchange domain, Employers domain, Job seekers domain Providing detailed information about the employment exchanges, providing voluntary guidance to the job seeker on

various options available after his education, enables candidates to seek assistance of the various schemes and has the biggest database of candidates with their complete qualifications and experience. Facility is provided to the employment exchanges to publish online tenders and update information about the exchange. Facility is given to the candidates to fill registration forms online and offline and publish results online of the various exams.

The portal also facilitates to register at district employment exchange, update/renew registered candidates details, know candidates employment status, search employer, search employee and EMI submissions.

It also provides information related to candidate such as candidate registration data, candidate education details, candidate renewal data, list of employment exchanges / offices, registration status, new registration at exchange, update/renew existing registration card, know employment status, information of notified vacancies and rojgar samachar.

Digitek is proud for building this effective and user friendly largest portal ever built for Gujarat Revenue.
